**2024 OAPC Trillium Award Program (TAP)
Presentation (New & Renewals)**

Mike Deckert, V.P., Flo Components, & Chair, OAPC - Plant & Paving Operations Committee

In 2002 OAPC – A Council of Ontario Road Builders’ Association (ORBA) created the Trillium Award program, which recognizes those plants that go **above** and **beyond** the already **“GOLD”** standard required by industry regulations.

Trillium Award applicants complete a rigorous assessment process to meet high standards in:

- Appearance
- Operations
- Environmental (*fuel storage, the use of the Environmental Practices Guide and Emergency Response Plans*)
- Safety
- Permitting and Compliance (*including spill prevention and attention to visible emissions*)
- Community Relations
- Industry Participation
